CURRICULUM OVERVIEW

- To provide **all our students**, with the **skills, knowledge, experience,** and **qualifications** to **access the very best opportunities** that the stage and screen industries, higher education institutions and apprenticeship providers have to offer.
- To **deliver to the needs of the stage and screen industry, bridging the gap** between the world of academia and the world of work, placing the academy and our students at **the centre of the talent pipeline** in the west midlands.
- To contribute to **levelling up and reform** of the stage and screen industry, championing the cause for **equality, diversity, and inclusivity.**
- To make a significant **contribution to the wider BOA group** by **creating opportunities for students** from all academies, **producing BOA academy performances** and events, and managing **the Old Rep Theatre.**

SUMMER PROJECTS

We are going to set some creative summer projects for students to work on over the break.

We strongly encourage students to have a go at these and be prepared to share their outcomes in September.

This serves as a good topic of conversation and ice-breaker in September.

There will be prizes for the best projects!
