

08.11.2023

Dear Parents/Carers,

**RE: Remote Working on Thursday 16th November**

*On Thursday 16th November we are proud to be hosting the West Midlands Discover Creative Careers day, as part of a government funded, industry-led programme aimed at bringing more diverse talent into the creative industries. The event is targeting year 10 and 11 students from schools across the West Midlands.*

Due to the large numbers booked in to attend the event, **I have taken the decision to cancel all lessons on Thursday 16th November, and ask our students to work remotely.**

Teachers will set tasks and guidance on Microsoft Teams.

**Please be aware that some students may still be required to attend the academy on this day.** A few have been selected to help at the Discover Creative Careers event, and some students will need to work on our Peter Pan set and costumes in the workshops. If students are expected to attend on 16th November, then **their teachers will make this clear over the coming days.**

You can find out more about the Discover Creative Careers project by visiting <https://discovercreative.careers>. We are very excited about this partnership, and the opportunities it is going to bring for our students in future. If you have any questions, please don't hesitate to get in touch.

Kind regards

Michael Painter
